Davronbek Nazarov

Back-end Developer

+998773170154	dav2danderson@gmail.com	Uzbekistan, Fergana

About me

IT has entered my life in the last 2-3 years. The main reasons for this are my curiosity and strong desire. As a young developer, I want to use solid technical skills and abilities to advance my career. I am organized, self-motivated, and capable of working with computers. I enjoy working in a team and treating each other with respect. I am confident that our future company will become one of the leading companies.
